Learn Piano or Keyboard - Essential Music Theory

This is the reason why you must not rely solely on the piano keyboard when learning music theory. Piano theory needs to be informed by reading music; otherwise you're merely learning which keys to press, not the actual notes. Your goal should be to develop real musicianship, really to understand the notes you play.

Piano Theory - key-notes

all the natural notes (on a keyboard, that's all the white keys) within one octave. (When you get to the eighth natural note, you start the next octave 14 on another A.) Figure 1.15: The natural notes name the white keys on a keyboard. But in Western 15 music there are twelve notes in each octave that are in common use. How do you name
