The view that the Bible should be accepted as historically accurate and as a reliable guide to morality has been questioned by many scholars in the field of biblical criticism. In addition to concerns about morality, inerrancy, or historicity, there remain some questions of which books should be included in the Bible.

Preface: The issue of the Catholicism and the canon of Scripture is an issue of authority and determination of Truth, and thus this preface is provided. It is also often asserted by Roman Catholics that they gave the world the Bible and thus they are the infallible interpreters of it, but even if it could be said that the Catholic church of Trent was the same as that of the first century (which ...

Babylon 5 (1993–1998), created by J. Michael Straczynski, is a science fiction television epic about Babylon 5, an Earth-governed space station built to promote harmony between interstellar civilizations. It is unusual in its focus on a story arc which dominates the events through its five-year run.

Faith in God is the key to pleasing God. It is right to have faith because God is reliable. Faith also releases the blessing of God. It brings God onto the scene. Many people fail to get answers to prayer because they don't have the kind of relationship with God that makes them confident that God is going to answer them.
