Questions? Q. Why does the BSA require all participants to have an Annual Health and Medical Record? A. The AHMR serves many purposes. Completing a health history promotes health awareness, collects necessary data, and provides medical professionals critical information needed to treat a patient in the event of an illness or injury.

Terminology. The first documented use of the word baby-talk, according to the Oxford English Dictionary, was in 1836.; Motherese and parentese are more precise terms than baby talk, and perhaps more amenable to computer searches, but are not the terms of choice among child development professionals [citation needed].Critics of gender stereotyping also prefer it to the term motherese, because ...
