From Commune to Capitalism How China's Peasants Lost

This chapter aims to introduce the political economy of capitalism in order to take note of two modes of governmental intervention, direct and indirect, and to highlight two differing roles of government, administrative and entrepreneurial. The chapter begins with an austere definition of capitalism which calls attention to

Good New thoughts on the "why don't you just join a commune" question (self.DebateCommunism) ... but here's a well-written response to why we can't just form a commune and prove capitalism wrong: "Communism, to most, is as much as a moral stance as it is a political one. The exploitation of wage labour by the bourgeois is abhorrent, the ...

nature of capitalism" just as it is not incorrect to blame the crisis on greed. The problem is simply that these explanations are not satisfying; they do not tell us what we want to know. The "failure of capitalist production" in this book's title is therefore a reference, not to capitalism in general, but to specific
