And if I trust in God, the name of God is holy, even on a coin. Whenever I find a coin I see that inscription. It is written on every single United States coin, but we never seem to notice it! God drops a message right in front of me telling me to trust Him? Who am I to pass it by? When I see a coin, I pray, I stop to see if my trust IS in God at that moment.

President Obama has been using executive orders (EO's) in ways they have never been used before. He is using them to do end-runs around Congress by legislating from the White House. Some EO's are dormant but pose a potential future threat. One of those is EO 13603. President Obama signed EO 13603 on March 16, [â€]

tl;dr If you want to ship high quality code, you should invest in more than one of formal code review, design inspection, testing, and quality assurance. Testing catches fewer bugs per hour than human inspection of code, but it might be catching different types of bugs. Everyone wants to find bugs in their programs.
