Cris Parr stands in a sunny room in an old high school surveying rows of drill presses, saws, and other outmoded industrial behemoths. Clearly no one has taught shop here in a long time, not since the goal was to prepare kids from the struggling neighborhood outside for a life in the trades. Parr ...

Education reform is the name given to the goal of changing public education. Historically, reforms have taken different forms because the motivations of reformers have differed. However, since the 1980s, education reform has been focused on changing the existing system from one focused on inputs to one focused on outputs (i.e., student achievement).

There are no bells at Salt Lake City's Innovations Early College High School, and no traditional "classes." Students show up when they like, putting in six and a half hours at school between 7 a.m. and 5 p.m. Working with a mentor teacher, students set their own goals and move through self-paced online lessons.
