Translated into hundreds of languages and dialects from Abkhaz to Zulu, the UDHR set a world record in 1999 for being the most translated document in the world. At present, there are 518 different translations available in HTML and/or PDF format. But the project of translating it continues and we need your help.

OHCHR | About the Universal Declaration of Human Rights

Human resources are the most valuable and unique assets of an organization. The successful management of an organization's human resources is an exciting, dynamic and challenging task, especially at a time when the world has become a global village and economies are in a state of flux. The scarcity of talented resources and the growing expectations of the modern day worker have further ...
