A Framework for Analysing Participation in Development v Acknowledgements This report was produced by Stephen Jones (Team Leader) and Andrew Kardan

### **A Framework for Analysing Participation in Development**

This report examines the conceptual foundations of the participatory approach to local development, assesses the evidence of its efficacy, and draws key lessons for policy.

### **Localizing Development: Does Participation Work?**

Objectives of participation. Participation activities may be motivated from an administrative perspective or a citizen perspective on a governmental, corporate or social level.

### **Participation (decision making) - Wikipedia**

Four key principles—accountability, transparency, participation, and inclusion—have in recent years become nearly universal features of the policy statements and programs of international development organizations.

### **Accountability, Transparency, Participation, and Inclusion**

According to Human Development Report, “participation means that people are closely involved in the economic, social, cultural and political process that affects their lives” (1993:1).

### **WOMEN, PARTICIPATION AND EMPOWERMENT IN LOCAL GOVERNMENT**

AIDEA can purchase up to 90% of a participating credit to a maximum of \$25 million. This program provides permanent financing, both taxable and tax-exempt, to borrowers through a qualified originator for the purpose of developing, acquiring or enhancing Alaska business enterprises.
