All students should be prepared in accordance with a college-preparatory curriculum. But the key word is "choice." At early levels, all academics are mostly common, but choices should be allowed at later points in the continuum. High school students in particular need curricular options that fit ...

The Doctorate of Medicine and of Philosophy (MD-PhD) is a dual doctoral degree for physician-scientists, combining the vocational training of the Doctor of Medicine degree with the research

expertise of the Doctor of Philosophy degree. The degree is granted by medical schools often through the Medical Scientist Training Program or other non-MSTP MDâ€“PhD programs.

MDâ€“PhD - Wikipedia

Teamwork is the collaborative effort of a team to achieve a common goal or to complete a task in the most effective and efficient way. This concept is seen within the greater framework of a team, which is a group of interdependent individuals who work together towards a common goal. Basic requirements for effective teamwork are an adequate team size (about 6-8 members), available resources for ...

This second report on transfer and mobility, examines multiple transfer pathways for the cohort of students who started postsecondary education in 2008. It reveals the new normal: student enrollment patterns that involve multiple movements among two or more institutions and across state boundaries.
