The Big Five Personality Test - Open Psychometrics

The Four Personality Types The four personality types are: Relater-Supporter, Initiator-Cheerleader, Analyzer-Investigator, and Driver-Leader. Itâ€™s generally not too difficult to identify the primary personality type of an individual, based on his or her persona, communication style, and to some extent profession.

Communication Success with Four Personality Types

chapter we survey various approaches to assessing personality and constructing personality tests. Our survey continues in Chapter 12, where we focus exclusively on projective tests. In Chapter 13 we look at other tools that have been used in the process of personality assessment. We begin by defining some of the terms that we use throughout Part 4.

Chapter 11 Personality Assessment: An Overview

Personality makes us who we are, so it is no wonder why it has been the source of such fascination in both science and in daily life. The various theories of personality that have been proposed by different psychologists have helped us gain a deeper and richer understanding of what makes each person unique.
