For 22 years, my dream has been to build the library of everything and make it available to everyone. I know we could charge money, but then we couldn't achieve our mission. The Internet Archive is a bargain, but we need your help. If you find our site useful, please chip in. Thank you. Brewster Kahle, Founder, Internet Archive

Please Save My Earth is my all time favorite manga. The drawings aren't that great at first but as the series goes on they become fantastic. It's about a group of Japanese students that dream about their past lives together and how it changes them and their relationships.

I've noticed the progression of artwork from Please Save My Earth to Global Garden to Boku wo Tsutsumu Tsuki no Hikari (PSME 2). The artwork is fantastic in PSME, but for some reason the artwork in GG and PSME 2 cannot compare. Maybe she just had some great assistants to help her along the way.

### **please save my earth dvd | eBay**

Please save my Earth surprised me with its quality.. Superb, graceful character design, excellent story, sublime music (Hajime Mizoguchi, Yoko Kanno), a lot of emotion.. this OAV is taken from the first issues of the manga, but transcends them with much talent, bringing incredible emotion to the already inspired manga..
