John Locke (1632–1704) is among the most influential political philosophers of the modern period. In the *Two Treatises of Government*, he defended the claim that men are by nature free and equal against claims that God had made all people naturally subject to a monarch. He argued that people have rights, such as the right to life, liberty, and property, that have a foundation independent of ...

The social norm of reciprocity is the expectation that people will respond to each other in similar ways—responding to gifts and kindnesses from others with similar benevolence of their own, and responding to harmful, hurtful acts from others with either indifference or some form of retaliation. Such norms can be crude and mechanical, such as a literal reading of the eye-for-an-eye rule *lex ...*

The following estimates represent citizens killed or starved to death by their own Communist governments since 1918. These numbers do not include war dead. The governments are sorted by body count (highest to lowest). All numbers are mid-estimates. While this list is as complete as I have been able to determine, it is evolving. Some!
