Nelson Mandela's electoral victory in 1994 signified the end of apartheid in South Africa, a system of widespread racially-based segregation to enforce almost complete separation of different races in South Africa. Under the apartheid system, South Africans were classified into four different races: White, Black, Coloured, and Indian/Asian, with about 80% of the South African population ...

POST-APARTHEID SOUTHERN AFRICA

ABSTRACT Twenty years after apartheid was formally abolished it continues to shape South African society. Its legacy persists over and above interest in it as a perverse phenomenon. We therefore find it timely, as part of our introduction to this special issue, to review some important studies of the economic aspects, and particularly some newer research by young scholars.

The history of the Jews in South Africa mainly began under the British Empire, following a general pattern of increased European settlement in the 19th century. The early patterns of Jewish South African history are almost identical to the history of the Jews in the United States but on a much smaller scale, including the period of early discovery and settlement from the late 17th century to ...

Two references worth reading in light of the last post. there is much clear evidence that Hayek himself had always intended his argument to apply with equal stringency against command planning and the welfare state alike (see, e.g., Hayek 1948, [1956] 1994, 1960, and [1976] 1994). Indeed, as we ...
