## **(PDF) Postsocialist Pathways: Transform-ing Politics and**

It demonstrates that the collapse of communism was not the same across the region and that the differences in how the pieces fell shaped the building blocks used for reconstructing political systems and restructuring economies in the region.

## **Postsocialist Pathways: Transforming Politics and Property**

Tracing the diverse pathways from the collapse of communism, a leading American economic sociologist and a pioneering Hungarian political scientist examine the innovative character, born of necessity, of postsocialist institutions in which actors are recombining economic assets and redefining political resources.
