and Burns 1998): talk as interaction: talk as transaction: talk as performance. Each of these speech activities are quite distinct in terms of form and function and require different teaching approaches. 1. Talk as interaction This refers to what we normally mean by “conversation” and describes interaction which serves a primarily social function.

How to Transition from Small Talk to Spiritual Talk Asking questions and being a good listener is the best route to change small talk to spiritual talk. Ask appropriate and creative questions to steer a conversation. Also, good questions will often prompt your friend to ask the same questions back.
