Principled Reasoning in Human Rights Adjudication by Se

foundation of deductive reasoning, and we ask two fundamental questions: (i) Does deduction depend on logic [16â€“20]? (ii) theory How does deduction fit together with probabilities? The first question is timely because of proposals that probability is the basis of human reasoning [21â€“23]. The second question has engaged theorists from the ...

Logic, probability, and human reasoning - Mental model

Examine them and decide what are the ethical principles involved in each of your options. Next you will evaluate and see if any of the options require the sacrifice of any moral principles. Look at each option and decide what the benefits, burdens, and risks are to the company and consumers. ... Pratt, Beth A. "Principled Reasoning and Ethical ...

Mental models and human reasoning Philip N. Johnson-Laird¹ Department of Psychology, Princeton University, Princeton, NJ 08540 This contribution is part of the special series of Inaugural Articles by members of the National Academy of Sciences elected in 2007.

Mental models and human reasoning

Identity development, principled moral reasoning, and empathy each significantly predicted openness to diversity in our sample of emerging adults. Continuing to define specific situational features that support and elicit desired behaviors remains important future work—both exposure and education have been found to be effective in building acceptance of diverse cultures, religions, and ethnicities.
