The PDF Reference was first published when Adobe Acrobat was introduced in 1993. Since then, updated versions of the PDF Reference have been made available from Adobe via the Web, and from time to time, in traditional paper documents made available from book publishers. On January 29, 2007, Adobe ...

It's an old thread, but I just stumbled on the same problem and didn't want to install anything additional, so I suggest this: (building on what nmat says and the comment of slhck). If you want to reduce margins, then, in the PDF reader you could print-to-pdf with scaling to 110% and then print the new PDF the way you want on paper (single or both sided or multiple per page).
