3 Before We Begin Introduction The two grim realities most table-saw owners are faced with are: 1. Unless you spent a lot of money on your table-saw, the fence that came with it isn't very good. 2. At around \$300, the after-market fences are way more than most of us can bear to part with. Although some of the after-market fences can be quite complicated, with pulleys and whatnot to keep

Rules introduced in July 2015 mean that savings of up to £1m may be protected for a six-month period if your savings provider goes bust. The increase is to cover life events such as selling your home (though not a buy-to-let or second home), inheritances, redundancy, and insurance or compensation payouts that could lead to you having a temporarily-high savings balance.
