There is a facebook group called "Topology Without Tears Readers" where readers of the book can communicate with each other. But this is definitely not a place to ask others to solve your homework problems.

### **Topology Without Tears by Sidney A. Morris. Topology book**

I have started reading the book Topology Without Tears by Sidney A. Morris. I have read the first chapter and so far it reads well. I have read the first chapter and so far it reads well. However, the name of the book is a bit deceiving and makes me think it is not a book to rigorously learn topology.
