Letâ€™s begin by defining Corporate Social Responsibility (CSR). By CSR we mean the results-driven process in which a business takes responsibility for the consequences of its activities on social, ecological and economic fronts, becomes accountable for the consequences of its actions and engages in dialogue with stakeholders on these issues.

The Secret Power of CSR

Soft power is the ability to attract and co-opt, rather than coerce ().Soft power is the ability to shape the preferences of others through appeal and attraction. A defining feature of soft power is that it is non-coercive; the currency of soft power is culture, political values, and foreign policies.
