Britishness is the state or quality of being British, or of embodying British characteristics. It comprises the claimed qualities that bind and distinguish the British people and form the basis of their unity and identity, and the expressions of British culture—such as habits, behaviours, or symbols—that have a common, familiar or iconic quality readily identifiable with the United Kingdom.

The primary social research tool in Britain is the British Social Attitudes Survey, an annual mini-census. In 2009 'No religion' was stated by 50.7% of the UK population 1. Comprehensive professional research in 2006 by Tearfund found that two thirds (66% - 32.2 million people) in the UK have no connection with any religion or church 3, a figure which meshes perfectly with another poll in the ...

Religion in the United Kingdom: Diversity, Trends and Decline

In politics, polarization (or polarisation) can refer to the divergence of political attitudes to ideological extremes. Almost all discussions of polarization in political science consider polarization in the context of political parties and democratic systems of government. When polarization occurs in a two-party system, like the United States, moderate voices often lose power and influence.

Anti-Semitism continues to be aggressively promoted in the guise of anti-Israelism in two highly influential arenas: politics, particularly in Britain; and on campus. In the US, the BDS movement is doing all it can to ostracize Jewish students.

The Anti-Israel Effort Intensifies in Politics and On Campus

Introduction. Growing democratic discontent “ rising disaffection, falling participation, a surging “anti-politics”™ populism “ is a symptom of a deeper problem: stark, ingrained levels of political inequality in our political system.
