A veil is an article of clothing or hanging cloth that is intended to cover some part of the head or face, or an object of some significance. Veiling has a long history in European, Asian, and African societies. The practice has been prominent in different forms in Judaism, Christianity and Islam. The practice of veiling is especially associated with women and sacred objects, though in some ...

Dubai is a global city and business hub of the Middle East. It is also a major global transport hub for passengers and cargo. Oil revenue helped accelerate the development of the city, which was already a major mercantile hub, but Dubai's oil reserves are limited and production levels are low: today, less than 5% of the emirate's revenue comes from oil.

In Men and Women Equal in Value, it was established from Scripture that men and women share absolute equality of worth before God. Scripture also teaches the differences between them, differences which go all the way back to creation. When no other creature was found suitable, God made the woman "a help meet for man" (Gen. 2:18). From the outset man and woman were assigned different roles.
