UN News produces daily news content in Arabic, Chinese, English, French, Kiswahili, Portuguese, Russian and Spanish, and weekly programmes in Hindi, Urdu and Bangla. Our multimedia service, through this new integrated single platform, updates throughout the day, in text, audio and video – also making use of quality images and other media from across the UN system.

UN News | Global perspective, human stories

The sociology of health and illness, alternatively the sociology of health and wellness (or simply health sociology), examines the interaction between society and health. The objective of this topic is to see how social life affects morbidity and mortality rate, and vice versa. This aspect of sociology differs from medical sociology in that this branch of sociology discusses health and illness ...
