A placebo button is a push-button or other control which has apparent functionality but has no physical effect when pressed. Such buttons can appear to work, by lighting up or otherwise reacting, which rewards the user by giving them an illusion of control. They are commonly placed in situations where it would have once been useful to have such a button but the system now operates ...

"Button, Button" is the second segment of the twentieth episode from the first season (1985–86) of the television series The Twilight Zone. The episode is based on the short story of the same name by Richard Matheson; the same short story forms the basis of the 2009 film The Box. In a documentary on the making of the movie The Box, Matheson states the inspiration of the story came from his ...
