West also devotes a chapter on how to become a witch and includes a quick overview of each type of witch. Regardless of the style I knew almost nothing about Wicca, witches, and the practice of witchcraft, so when I came across The Real Witches'™ Handbook it seemed like a good place to start research on this intriguing subject.

This article begins with a discussion of the current state of knowledge regarding popular witch beliefs and magical practices. Historians of witchcraft now generally acknowledge that while official concern about a diabolic conspiracy played a key role in the virulent witch-hunts in early modern Europe, most trials started from accusations manifesting popular apprehensions concerning harmful magic.
