The Greek language distinguishes at least six different ways as to how the word love is used. Ancient Greek has six distinct words for love: philia, eros, agape, storga, pragma, and philautia. However, as with other languages, it is been difficult to distinguish the separate meanings of these words without carefully

considering the context in which the words are used: In casual writing, the ...

What is Narrative Therapy? A Definition. Narrative therapy is a form of therapy that aims to separate the individual from the problem, allowing the individual to externalize their issues rather than internalize them. It relies on the individual's own skills and sense of purpose to guide them through difficult times (Narrative Therapy, 2017).
